## **KAVA REIKI:**

**The distant Kava Reiki 1-5 attunements aim to connect you to the Heart Communication Reiki Energy.**

This system makes use of the love and compassion communication energies of reiki in healing and communication. The traditional Usui Reiki Systems make use of the entire spectrum of reiki energy. The Kava Reiki makes use of a portion of that spectrum, focusing in on a specific aspect of the energy.

If you think of the traditional reiki as the entire rainbow, Kava Reiki would be one color of that rainbow.

There are 4 levels, plus the master level (5 attunements in total).

### **WHAT ARE THE KAVA REIKI 1-5 REQUIREMENTS?**

- If you are ill or unwell you must first seek proper medical care.
- No prerequisite knowledge required.
- Understand that healing is a process that requires your active participation.
- An open heart and a commitment to your self-empowerment and growth.
- Some quiet time to practice and take in the energies.

All attunements are sent via chi ball unless requested a one on one, where a date and time can be arranged.

You will also receive a certification on completion of all levels.
