

## **ASCENSION SYMPTOMS FLUSH**

By Rev. Mariah Windsong Coutre

Ascension Symptoms Flush has arrived to humans and all in body beings, to ease the transition and pressure often felt as Earth travels in new areas of space and physical bodies adjust to being in the presence of a new quality of light vibration. Divinity emerges from within the hologram of this reality, instead of simply arriving from without.

When you are beckoned from within and without to enlighten and shift the speed with which the atoms in our cells spin, to be in sync with the energy that the Earth is bathed in, it can be uncomfortable. Ascension Symptom Flush helps your body to drop away the "static" or non-moving energy that resists adapting to the divine upgrades that beckon to be embodied. In this way, the internal pressure and restlessness can subside.

You can use it on yourself and others and I will also include a manual that explains how to use it, and how to give it to others as well.
